

## Words from Our Mayor

Hello everyone. I hope this month's mayor's column finds you all healthy. October saw municipal elections throughout the province of Alberta. Citizens cast their ballots for mayors and councillors thereby choosing the people who they felt should lead their respective communities for the next four years. In town, we saw some changes with the election. Two new Councillors joined our team, Keegan Thompson and Arnold Romaniuk. Our first meeting was on October 26 where everyone was sworn into municipal office. As a group we are prepared and excited to lead our community forward.

The Public Works department is preparing for winter as the temperatures begin to dip. Although the weather is still actually quite nice, you all must have noticed that the paving by the hall, recreation center and arena, has not been done. As this project was awarded to a company that specializes in paving, we were advised it would be best to delay to spring of 2022. As a council, we are definitely disappointed but rushing the project may not have provided a positive result. Public Works has stated that there is a silver lining in that all the road work already done on the street gives it time to settle. We again ask you for your patience knowing that this project cost will be honored in 2022.

Again, as was stated earlier, we as a council will strive to provide you with a safe and viable community to live in. Do not hesitate to reach out to administration with questions or concerns.

Covid-19 numbers are starting to decrease but we all must still be vigilant. Vaccination so far has proven to be our best defence. Please let's practice some defense and get vaccinated.

Till next month, remember that what we do now as a community will help move us forward. Please treat everyone with respect as you would like to be treated.

### *In Flanders' Fields*

*In Flanders' fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

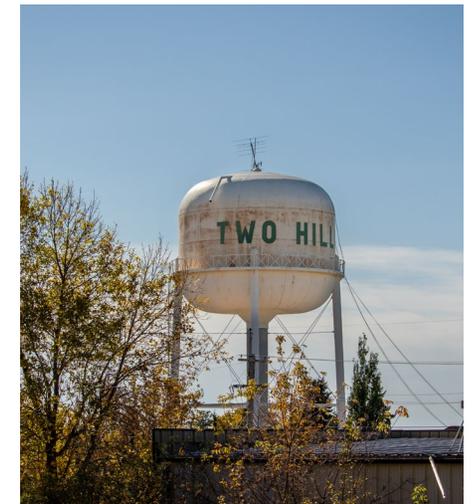

*We are the dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders' fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch, be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders' fields.*

**Wipes Clog Pipes!**

Place these items in the **TRASH** and **NOT** the toilet:

- Disinfecting wipes
- Paper towels
- Baby wipes
- Towelettes
- Mop refills

Please Don't Flush ANY type of Wipe Down the Toilet!

The label might say, "flushable," "disposable," "sewer and septic safe," or "biodegradable." The wipe size might be smaller. It makes no difference, because wipes can still clog your toilets and possibly cause a sewer backup into your home.

Your efforts will help keep our wastewater system running smoothly and reduce maintenance costs.

Thank you!
