HAPPY St. Patrick's DAY*

Town of Two Hills Announces Completion of Sustainability Upgrades at Centennial Arena and Curling Rink

Unveiling Ceremony of the Solar Generation, Ice Plant and EV Charging Station in Two Hills on March 3, 2026 10am Two Hills Recreation Centre

The Town of Two Hills is thrilled to announce the completion of a transformative sustainability and infrastructure project at the Two Hills Centennial Arena and Curling Rink. This integrated initiative features a new high-efficiency ice plant refrigeration system, a ground-mounted photovoltaic (PV) solar farm, and modern electric vehicle (EV) charging infrastructure, all aimed at reducing energy costs, lowering greenhouse gas emissions, and enhancing community facilities for generations to come.

Located at 5303 45 Ave, adjacent to the arena and recreation centre, the project combines renewable energy generation, advanced refrigeration technology, and EV support to benefit residents, visitors, and the broader east-central Alberta region.

Have Your Say! Take the Public Policing Survey Today.

Your voice matters. The Town of Two Hills is inviting all residents to complete the Public Policing Survey — a chance for you to share your thoughts on policing and community safety in our town.

By taking a few minutes to complete the survey, you help shape how policing services are understood and delivered, and ensure local leaders hear directly from you. This community feedback provides important insight into what matters most to residents and helps guide future priorities.

Please share this with your friends, family, and neighbours — every response counts!
