

Words from Our Mayor

Hi everyone! I hope my mayor's column finds you all healthy and self-quarantining if possible. Our world has been rocked by Covid-19. New measures are announced continuously by the federal and provincial governments.

We as responsible citizens must adhere to the new policies and do our best to see that they are followed. Our emergency management team has been put into operation as of March 16, 2020. If new guidelines are not being followed, please call in to the Town for follow up or the RCMP for immediate help. Again, we are all in this together and working together we will overcome this. No one is immune! God fearing or not, rich or poor, young or old!!!

The town has recently signed an Intermunicipal Collaboration Framework. It is a fair deal which I know will become exceptional with the present leaders. This new deal allows both the county and town to work together to deliver services to all our community residents.

We will be preparing our budget and infrastructure projects will be budgeted for. Covid-19 will determine what we will do or not do. Rest assured we will try and do what we can.

Again, stay well, adhere to the government's recommendations and we shall overcome this together.

TOWN PARKS ARE CLOSED

Please note that the Town parks are currently closed to the public to help prevent the spread of Covid-19.

No Wipes Down the Pipes

Even if a product says it is "flushable" ...

Unless it is toilet paper, it should not be flushed!

- Diapers (including cloth, cotton, disposable, or plastic)
- Flushable, disposable, cleaning, or baby wipes
- Paper towels, cloth towels, or any type of rag
- Feminine hygiene products
- Facial Tissues

Place the items listed above in a trash can

Putting these items down toilets may plug sewers and cause raw sewage to back up into YOUR HOME
