

September 2019

A Message from our Mayor

As summer draws to a close I hope everyone enjoyed what little nice weather we had.

The weather to say the least has not cooperated with a lot of our Public Works projects. Our hope to do what we call Railroad Avenue, has been moved to 2020. Digging up and replacing water and sewer lines with all the rains would not have been a wise use of funds or human resources. The placing of dust control worked somewhat but receiving two inches of rain after putting it down was not great. If possible some of these areas may receive SB90.

As it seemed to rain every second day, public works managed to do a lot of smaller projects that needed to be done. As you may have noticed, we are replacing three large sections of sidewalks this year. That adds up to 1300 feet. These were chosen by public works.

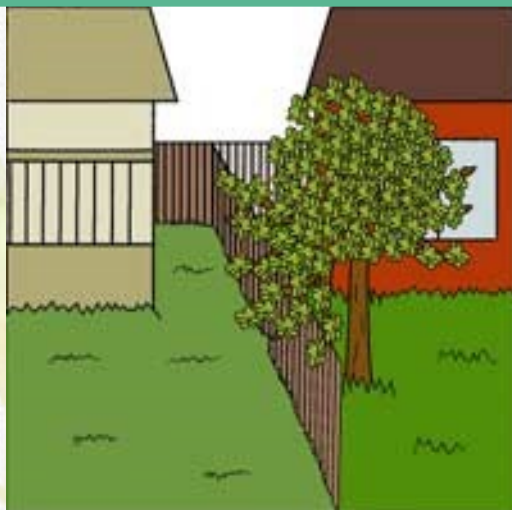

This has been quite a year as to bylaw enforcement. As was stated by citizens, "Why do we have bylaws if they are not enforced?" From trailers to unsightly premises, citations and fines were handed out. I personally have heard from many disgruntled residents that the town was picking on them. Most residents complied with the bylaws while others were more resourceful and tried to find ways to beat the bylaws. As a town, we try to give our residents a fair amount of leeway but we have and will continue to follow our bylaws. The majority of residents are complying with the bylaws and our town does look neater.

I would also like to thank Mrs. Elsie Elkow, who takes care of the flowers at the cenotaph and the park next to the seniors. Next year this lady needs some help. Through the Beautification Committee, help her make the town a little more beautiful.

As we go into 2020, the Arena upgrade, will happen. I have reached out to groups to help raise funds to help our youth stay off the streets. To date, I have not heard back from them but hope they will join the community in making this project a huge success.

Stay tuned until next time and have a great fall.

Remember to keep all tree limbs trimmed and inside your property line, this includes the front back and side of your property.

**KIDS ARE BACK
TO SCHOOL!**

**TAKE EXTRA
PRECAUTIONS IN
SCHOOL ZONES**

Please forward all events and information that you would like in the newsletter to:

thfcssoffice@gmail.com OR, call the FCSS Office at 780 657 3540

Please forward your information a month and a half in advance if possible. Our newsletter runs from the 10th to the 10th of each month.

September 10th - Bingo - Two Hills Senior Centre - 7 p.m.

September 10th - Suicide Awareness Day - Pop Up Café in Two Hills Foods parking lot - 11 a.m. - 1 p.m.
Lots of resources and stop for coffee!

September 12th - Two Hills Playschool Registration - Two Hills School - 6:00 p.m.
