

Words from Our Mayor

As I write my mayor's column, September is just about over and October is right around the corner. We have all enjoyed a very warm fall so far. Here is hoping that our rural neighbours were able to complete their harvest.

The last week of September saw the completion of our SB-90 project. The replacing of culverts from the Mennonite School south has been completed. Replacement of the heating system at the hall should begin in the first week of October. Delays are not uncommon but we hope to have everything completed before winter. You will also notice that we are finally proceeding with the water meter upgrade. Please visit the town office to book an install date and time. As per our meeting on September 27, 95% of current taxes have been collected.

As council and administration prepare the 2023 budget, please don't hesitate to bring forward constructive ideas. These ideas can be dropped off at the town office.

A public meeting will be held on November 7. Again, council is looking for your input for the 2023 budget.

Council and administration are always looking for ways to save. Even now, if we can cut costs, we will.

On a bright closing note, one of our new physicians has started practicing already and the other one is scheduled to start at the end of October.

As always please treat people the way you would wish to be treated. Till next month, stay safe.

October 2022

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1
2	3	4	5	6	7	8

HAVE YOU BOOKED YET?

We are adding a cellular transmitter to all water meters in Town, to better serve our residents!

We're asking all residents to call the office to book a suitable time to have this transmitter to their meters.

The installation is very simple, does not take much time and you will be able to access an APP to track your water usage.

Call the office now to book an appointment!

NOTICE OF ANNUAL PUBLIC MEETING

Town of Two Hills hereby gives notice that Monday November 7th at 7 PM the Annual Public meeting will be held at the Two Hills Rec Centre Lounge (upstairs). Please join us to share your ideas for next years budget.

To avoid lid damage and to keep refuse from being blown out and off of our streets please keep garbage lids closed at all times.

Thank You!

Halloween Safety Tips

Keep your little ghouls safe this Halloween with some easy tips and tricks!

-  Trick or treat in groups- never alone
-  Take a flash light with you and place reflective tape on costumes.
-  Only visit well lit houses
-  Only enter a house if with a trusted adult
-  Never ride with strangers
-  Examine candy before its eaten
-  Make sure any weapons for a costume aren't too sharp
-  Contact authorities if you see anything suspicious or dangerous.

Two Hills

Halloween is a fun holiday, so establish rules for a scarily safe time!
