

Mayors Column

In September, council welcomed a new member of council with a swearing in ceremony, unfortunately council was informed of our council members resignation. It is with regret that we accept the resignation and wish our former member the best. As this has caused a vacancy on council, the town will have to run another by-election. Keep an eye out for a nomination day announcement.

Council attended the annual Alberta Municipalities convention on September 26th to 29th, over 1100 delegates from across Alberta attended. Council members attended several different information sessions; allowing us to gain knowledge of what other communities are doing and see how other municipalities have managed to do different projects in these challenging times.

I am sure some of you are wondering about our restructuring study between the Village of Myrnam, the County of Two Hills and the Town of Town of Two Hills. This study is being done with a provincial grant given to us. The study is to look at all areas of how we deliver services to our residents. At the end of this study, options will be given to all councils on how we may move forward. I want to be clear, there is no predetermined outcome. Again, it is to determine how we as a community may be able to move forward in very challenging times.

On October 17, the Town will be holding a general public meeting at the rec centre lounge at 7 PM, everyone is invited to attend. We look forward to any suggestions or priorities you may have as we begin our budget process. After meeting at the convention with government officials, there is no new monies available to municipalities. As always, we will strive to continue the services you expect with the available resources we have as a community.

Until next month, remember to treat your fellow neighbors the way you would wish to be treated.
