

## Mayors Column

To the graffiti artists out there who are defacing public properties, PLEASE STOP! You are placing an extra burden on the ratepayers of our community who have to pay for the removal of your work. Some of this work is extremely vulgar and has no place in our community. If your families were to know it was you, they would be deeply disappointed in your actions. Just remember that sooner or later you will be caught and will pay the price for your uncalled-for actions.

Every November 11 our community came together to pay tribute to our veterans and serving members. Alas this year we will not be having a November 11 ceremony in the hall. Time has taken its toll on existing members and they are unable to continue with this ceremony. This is a continuing occurrence where a community loses groups or services because there is no one to take over the responsibilities. If you have some spare time and are able, please volunteer. All groups are in need of new volunteers who can help organizations stay vibrant and viable. To all those who have made Remembrance Day possible in our community over the years please accept a huge heartfelt Thank You!

Just a reminder that November 9, 2023, will be nomination day in the Town of Two Hills to fill our vacant councillor position. Anyone who wishes to run can pick up nomination papers at the town office.

As always, please treat people the way you would wish to be treated.
