

## Mayor's Column

From the travelling public to local residents, green spaces are provided by a municipality for their enjoyment. These spaces may include parks or areas where one could have a wiener roast or even spend the night.

Hoodlums though, decided to vandalize the Geleta Park campground. Breaking beer bottles to overturning the public toilets, these individuals left a trail of garbage and destruction. This was not good enough. These individuals then proceeded to knock down public signs from crosswalk to stop signs. There is a cost to rectifying the crime spree by these hoodlums. A cost that is borne by the community. Our community does not have an unlimited amount of extra tax dollars to deal with stupidity. Rest assured that sooner or later these hoodlums will be caught.

I do ask if anyone has any information on this crime or sees one happening, please report it to our local RCMP.

Until the fall, enjoy your summer.

Sincerely, Mayor Ewanishan
