

## Words from Our Mayor

Hello again everyone and welcome to "Spring." The snow melt has gone very well this year with little or no issues of flooding. Public Works has started pothole repairs. Please do not hesitate to phone the office with a request for pothole repair.

The province has eased some Covid restrictions because of lower Covid numbers. We are starting to see a rise though in active hospitalization and ICU cases. Individuals should wear masks, if not for their own safety then for the safety of all other residents. I would like to send out a big 'Thank you' to Jignesh Patel and his colleagues for making the pharmacy a vaccination center for Covid-19.

Our financial audit was presented to us on March 23. This audit showed that the town has a surplus and is viable. I would like to commend our administration on collecting over 90% of the 2020 taxes. Administration and Council will do everything we can, or what the Municipal Government Act allows us, to recover monies owed to the town. As a community, everyone pays for ratepayers who do not pay. An example of this is the school or lodge requisition which have to be paid whether the taxes are collected or not.

As I sign off for this month, congratulations to the Olynyk family, owners of GO's Drive In, for 50 years of service to our community. I for one have enjoyed many of the menu items over the years.

Again, please wear your masks and practice social distancing, for only with everyone doing their part, can we keep Covid at bay.

## Be a responsible dog owner

IN 2 SIMPLE STEPS!

- ✓ Pick up after your pet.
- ✓ Keep your dog on leash when off your property.

As dog owners, it is our responsibility to train our dogs and to be diligent with their behaviour.

We don't want to endanger any of our neighbours or other dogs by having dogs roaming unsupervised, and we want to keep our streets and land clean by picking up after them.

## REMINDER

## ANIMAL LICENSES

All pet owners within the Town of Two Hills are required to register/license their animals for 2021 as per Town Bylaw 2019-986. Licenses may be purchased from the Town office or by calling (780) 657-3395. Fines will be issued to those not following the Bylaw.

ALL PETS MUST BE LICENSED, LEASHED, TAGGED AND SUPERVISED WHEN OFF THE PROPERTY.

## BAG YOUR TRASH!

Please help to keep our trash and recycling collectors safe by bagging and securely sealing your bag.
