AUGUST 2025

Co-op Community Spaces and the Development of Two Hills Market Square

Cornerstone Co-op proudly contributed \$77,000 in 2025 through the Co-op Community Spaces program—one of just 14 projects selected in Western Canada and four in Alberta—to support the Two Hills Market Square.

Led by the Town of Two Hills and the Two Hills & District Agricultural Society, this year-round hub will feature vendor sheds, fencing, solar lighting, and more, creating a vibrant space for local businesses and boosting downtown revitalization.

THANK YOU!

to the Canada Day Committee and all the incredible volunteers whose dedication and spirit made Canada Day 2025 a truly memorable celebration for everyone.

A SPECIAL THANK YOU TO: Cornerstone Co-op, Lillian Fesciuc, Sunny Hill Foods, Two Hills Clover Farm & Two Hills Agricultural Society for your GENEROUS donations!
