

Words from Our Mayor

Welcome to July's mayor's column; it is hard to believe that June has come to an end. We are in the downhill swing of 2021, with the days slowly getting shorter.

I had the privilege of attending the grad ceremonies virtually, from taping a message to the grads, sending it and then watching the livestream. Never in my wildest dreams did I envision that occurring. Modern technology is alive and well even in Two Hills.

Speaking of modern technology, the town has signed a deal with MCS Net to install a 150-foot tower. This new tower will improve internet service to residents in Two Hills and the surrounding area.

Timely rains have helped our farming neighbours and us with much needed moisture. With the return of warmer and moisture free days, we will can resume our road and sidewalk upgrades. As no one can control the weather, your patience in affected areas is greatly appreciated. "Thank you!"

Everyone has heard the address by the premier that as of July 1, most restrictions will be lifted. Council has followed the province's directive with the lifting of by-law 2020-1003. So as of July 1, masks will not be mandatory in the town. The elimination of restrictions is the beginning of our new normal. This new normal includes vaccinations. The new 'Delta' variant is more contagious than the previous variants. Our only protection is complete vaccination by everyone, which means getting both doses of the vaccine so we can protect our community. More people will start travelling and visiting; this may increase the ability of the variant to spread to unvaccinated people. So PLEASE roll up your sleeves, take the vaccine. Only you can protect yourself, loved ones and our community from this silent killer. The power is all in your hands.

Till next time, stay safe, healthy and respect your neighbors.
