

Words from Our Mayor

Hello everyone and welcome to the month of May. May is when seeding of gardens, flower beds and fields take place. It is when life begins again with plants and trees starting to grow after a winter.

This May also brings a special moment in time to a pioneer of the Town of Two Hills. Mrs. Ann Iftody will be turning 100 years young on May 22. On behalf of all the residents of Two Hills, congratulations on reaching this milestone. I pray that the Lord blesses you with many more healthy and happy years.

Our capital budget was passed at the April 13 meeting. Since we were not able to receive any grant money to do our underground infrastructure, council has decided to do more roads and sidewalks with the money we do have. The roads will be done with SB90 which can be removed and reused if we ever receive more funds to do the underground infrastructure. As a council, we felt it better to use the money to repair sidewalks and roads instead of saving it. With some luck, one of these times when we apply for a grant to do our underground infrastructure, we will get it.

It was also brought to my attention that Hyrciw's Plumbing has been in business in the town of Two Hills for 91 years. Congratulations to Nestor and his family who have provided plumbing, gas fitting and sheet metal expertise to the community for all these years.

As I sign off for another month, I would like to thank all the people that are following the health guidelines. We are all tired of Covid-19 but with the new variant strains we must not let our guard down. As vaccinations continue, eventually we will be able to get to a new normal. Till next month, please follow the health guidelines, stay safe and please be kind to your fellow residents.

NO May Events

May 24, 2021

Victoria Day is Canada's oldest non-religious holiday. It marks the birthday of Queen Victoria (1837-1901). Following the death of Queen Victoria, May 24th was decreed as Empire Day across the British Empire. Today, Canada is the only country who still has a holiday on the day.

Only successful applicants will be notified

BAG YOUR TRASH!

Please help to keep our trash and recycling collectors safe by bagging and securely sealing your bag.

Be a responsible dog owner

IN 2 SIMPLE STEPS!

- ✓ Pick up after your pet.
- ✓ Keep your dog on leash when off your property.

As dog owners, it is our responsibility to train our dogs and to be diligent with their behaviour.

We don't want to endanger any of our neighbours or other dogs by having dogs roaming unsupervised, and we want to keep our streets and land clean by picking up after them.

To avoid lid damage and to keep refuse from being blown out and off of our streets please keep garbage lids closed at all times.
