

# HELLO OCTOBER

Our major public works project continues into September. The guys have tried their best. Mother Nature though, prolonged the project with a lot of rain. Council, after many years has passed a motion to build a public works shop. I am happy to announce that the winning bid was Greenhills Construction, a local company. This project may begin this fall but definitely in the spring with completion in 2025.

The refrigeration system in the arena and curling rink has been repaired. We are hoping that this repair will be sufficient enough for now. This should give us time to find enough resources to upgrade the system. Councillor Sorochan will be representing the town on a committee, as Vegreville is doing a study on a Regional Recreation Plan. We all know that she will not hesitate to speak and keep the best interests of the town in mind.

Next year at this time we will be preparing to vote for a new council. With the implementation of Bill 20, there are changes that will affect municipal governments. I would hope that prospective candidates make themselves aware of the changes.

As we go into the last year of this present council's mandate, one has to choose, whether to run again or leave. I have decided not to run again. After 11 years of service, I will now devote more time to my wife, son, daughter in law and especially my very special granddaughter.

As always, please remember to treat everyone as you yourself would wish to be treated.

Sincerely,

Leonard Ewanishan  
Mayor of Two Hills

## CANADA DAY MEETING

**OCTOBER 30th @ 7:00PM - Town Office Council Chambers**

**We desperately need community input regarding what YOU want Canada Day in Two Hills to look like, this year and years to come. Join us and be apart of the community!**

**If you can not attend - Please email Sheila at [slupul@townoftwohills.com](mailto:slupul@townoftwohills.com) with suggestions and ideas!**

# HELLO OCTOBER
