

1. **Unsightly Properties:** We are still working on the problem properties; while slow there is some progress being done. We have sent out 15 grass/weed notices this month (down from 41 last month).
2. **Fire Department:** Have reached out to the Fire Chief and will be creating a job description as well as working to be sure department needs are fulfilled.
3. **SAC:** We have received notice that there may be some changes coming to SAC. Waiting to hear directly from the President before deciding how to move forward with these changes.
4. **SPERD:** Have reached out to SPERD regarding a joint use agreement that is required to be in place by June 2023.
