

## Words from Our Mayor

Our new Chief Administrative Officer began his new role with the Town of Two Hills on January 16. With his and our administrative staff experience, all inquiries can be dealt with. As Adam settles into his new position with the Town, don't hesitate to introduce yourselves to him and make him feel welcome.

The installation of our new water meters has hit a bit of a snag. Administration is working with the software company to find a solution. As soon as it is found it will be tested and if it works they will be installed. We were not successful for our grant application for the building of a new playground, when the new grant comes open again, we shall reapply.

Administration, along with our auditors have begun to work on our 2022 audit. Once it is completed, we will have a public meeting to present it to you all. In addition, administration is working so that the town tax notices will be sent out much sooner.

Council and Administration will also be looking at ways of increasing revenue. The province has become a great teacher on how to shift financial responsibilities onto Municipalities. In turn, there may be ways to shift some of the financial responsibilities to others rather than the ratepayer.

Till next month, stay safe and healthy and remember to treat everyone like you would want to be treated.

a chance to be seen here!

## REMINDER

## ANIMAL LICENSES

All pet owners within the Town of Two Hills are required to register/license their animals for 2023 as per Town Bylaw 2019-986. Licenses may be purchased from the Town office or by calling (780) 657-3395. Fines will be issued to those not following the Bylaw.

ALL PETS MUST BE LICENSED, LEASHED, TAGGED AND SUPERVISED WHEN OFF THE PROPERTY

## Wipes Clog Pipes!

Place these items in the **TRASH** and **NOT** the toilet:

- Disinfecting wipes
- Paper towels
- Baby wipes
- Towelettes
- Mop refills

## Please Don't Flush ANY type of Wipe Down the Toilet!

The label might say, "flushable," "disposable," "sewer and septic safe," or "biodegradable." The wipe size might be smaller. It makes no difference, because wipes can still clog your toilets and possibly cause a sewer backup into your home.

Trash and debris block our wastewater pumps and valves. An item might say "biodegradable" but it may block your sewer line before it has time to disintegrate. Our staff has to open the valves and remove the trash by hand.

Your efforts will help keep our wastewater system running smoothly and reduce maintenance costs.

Thank you!

For flexible tax payment options...

SIGN UP for automatic withdrawals with our **PRE-AUTHORIZED TAX or UTILITY PAYMENT OPTIONS**

## PLEASE TAKE NOTICE

Parking on 50<sup>th</sup> avenue between 50-51 Street has changed to parallel parking only, to help the flow of traffic
