

Words from Our Mayor

Welcome to July. There is not much to report this month but here are a few highlights. The town has been asked to trim or remove the trees in front of the lodge. The trees are on town property. After inspection, a lot of the trees have to be removed.

Our capital projects should be starting in the middle of July. Also, if you notice potholes, please report them to the town office so they can be dealt with.

Tax payment deadline is the end of July so if you haven't made your payment yet please do so before the end of July.

Congratulations to the Canada committee for a terrific job on putting on the Canada Day festivities. Thanks to the committee as well as all the volunteers.

Till September, enjoy your summer.

Thank you to those who came before us so that we can celebrate and enjoy our country....Happy Canada Day!!

HOW TO TRIM TREES - DIY

WHEN DIY TREE TRIMMING IS OK, AND WHEN IT'S NOT

Want to trim a small tree with lightweight branches and a canopy at eye level? Go for it! However, you should not attempt to prune a tree if you have to climb a ladder to reach the branches.

HOW TO TRIM SMALL TREE BRANCHES YOURSELF

Let's start with the steps to trimming just one branch, then get into pruning a small tree. To trim a branch: Make sure your pruning tool is sharp and clean. Get to know the parts of the branch and tree.

HOW HOMEOWNERS CAN TRIM A SMALL TREE THEMSELVES

When you trim a small tree, the process of removing a branch remains the same, but other factors come into play. Make a plan for the branches you'll cut and the ones you'll keep.

HOW DIY TREE TRIMMING CAN GO WRONG AND KILL THE TREE

One wrong cut won't immediately kill your tree, but pruning incorrectly or too often can. If a tree repeatedly loses too much of its canopy at one time, it can become weak or even die from the stress.

WHY YOU SHOULD AVOID TRYING TO TRIM A LARGE TREE

You may have noticed the theme here is all about trimming small branches and trees. There's a reason for that! Attempting to prune heavy branches or a tall tree is not recommended.
