

Words from Our Mayor

As the Town moves forward, we must upgrade all of our equipment so we get the maximum 'bang for our buck'. We are in need of upgrading our water meter reading equipment as our technology is outdated and in order to do that we must appeal to our residents. Funds collected from the water bills "equipment upgrade" will go towards the purchase of cellular meter reading devices that will benefit not only the staff but will be the most benefit to you. Staff will be able to monitor all water meters 24 hours a day and will alert you of any suspicious activity on your meter such as leaking toilets or outside taps being left on. You will also be able to monitor your own usage through a simple app on your phone or computer.

We, as a community, must begin to enter the future and make life for our residents easier.

COVID-19 INFORMATION

PRACTICE PHYSICAL DISTANCING

Keep at least 2 metres (about the length of a hockey stick) between you and others. If you are too close to someone who coughs or sneezes, you risk breathing in tiny droplets that could contain the COVID-19 virus.

Help support a healthy relaunch by following public health measures, practicing physical distancing and good hygiene, and continuing to act responsibly.

Submit your Town photos to info@townoftwohills.com for a chance to be seen here!

TOWN PARKS ARE OPEN

Please respect social distancing and wash or sanitize your hands regularly!

Geleta Park camping has reopened to RV/Camper camping only. The bathrooms are not available nor is the shower house. The RV/Camper MUST have bathroom facilities.

PLEASE REMEMBER TO BAG ALL GRASS CLIPPINGS!

The Town Office is **REOPENED** to the public. One customer a time in the office at a time, respecting the signs posted please. You may still pay your bills online, via cheque through the mail or at the bank if you prefer.

BAG YOUR TRASH!

Please help to keep our trash and recycling collectors safe by bagging and securely sealing your bag.
