

Words from Our Mayor

December saw almost all of what winter may have in store for us. From temperatures that were seasonal to bitterly cold. Light dustings of snow to major dumps and the occasional freezing rain. This is winter in Alberta!

January begins the new year. January 16 is the date Adam Kozakiewicz will be joining the town as our new Chief Administrative Officer. Adam comes to us with all the credentials a growing community needs to help it move forward. Let's all welcome Adam to Two Hills and make him feel right at home.

As 2022 ended, an interim budget was passed by your council. We tried to balance our needs with what dollars we have. Going forward, we will do things as we can afford to. There are things that are out of our control such as water rates, power, gas, fuel, etc. the town has been notified by the ACE water corporation that the water rate will be increasing starting January 1, 2023. This discrepancy will have to be addressed in the new year.

Running a community is very similar to running a household. You try stretch every dollar and sometimes have to go without so you can pay your bills. Council and Administration are committed to doing whatever we can to see that the town runs smoothly and economically.

To everyone, on behalf of council, Administration and our families, we would like to wish you all a happy, healthy and prosperous 2023.
