

**1. Grants.** Working with John applying MSI grants to the projects and reconciling the expenses. The MSI funds for the 2020 projects have been allocated.

**2. ICE Plant.** Was shutdown 3 weeks ago and can be started back up if the Covid restrictions on recreation are lifted in the near future. The ice at the Arena is in good shape and do not have to worry about melting anytime soon. The Curling Rink ice was not put in this year.

**3. CARES Grant.** We are able to use for a Broadband study.

**4. RFP for Concrete Crushing.** Will be sent out soon.

**5. Capital Projects.** We will have a list of possible projects for this summer for council in March and then council will decide which projects to move forward with.

**6. Natural Gas Franchise Study.** No progress to note as of this meeting.
