DELEGATION: Sargent Robert Daisley joined our meeting to answer any questions Council may have after receiving the annual policing report at the last meeting. Council had questions regarding the use of engine retarder brakes within Town limits and what can be done to curb this. Sgt. Daisley informed us that they will check to be sure signage is up and will keep an eye out for those who are non-compliant. Council also asked if there are ongoing issues regarding covid-19 restrictions and residents complying with the public health act. Sgt. Daisley shared that there are indeed a few problem spots in town in regards to gatherings at a church. The R.C.M.P is working together with the church as well as Alberta Health Services (as this is their act to enforce) to encourage compliance. Council then extended their gratitude for all of the work the detachment has done over the year and looks forward to working with them again in 2021 to keep our community safe.
