

April 2026

Letter from the Mayor

Council would like to extend our sincere thanks to our Public Works Department for their hard work and dedication in snow removal this past winter. It was, at times, a very challenging season with significant snowfall. Their efforts ensured our community remained safe and accessible.

Budget deliberations are underway as we work to balance community needs with increasing fiscal pressures. While we carefully examine all available funding options, mandatory costs—such as policing fees for communities under 5,000 residents and the Provincial Education Tax which Municipalities are required to collect and forward to the Province – continue to rise without matching support from higher levels of government.

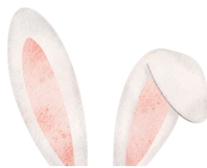

With the arrival of spring and longer days, we welcome a fresh start after a demanding winter. We encourage residents to enjoy the season and everything our community has to offer. Strong communities are built by people who care.

Volunteers are always welcome and play a vital role in making our town a great place to live. If you are interested in getting involved, please contact the Town Office for more information.

On behalf of Council, I wish everyone a safe and enjoyable spring.

Mayor, Michael Tarkowski

HAPPY
EASTER

TOWN OFFICE CLOSED

**GOOD FRIDAY - APRIL 03 &
EASTER MONDAY - APRIL 06**

EYE ON WATER
